THE VAULT

The Manual Before You Buy.

Get to know the enthusiast car you want.
Follow its market while you search.

Model-focused research brings the engineering, ownership considerations and market context together, helping you recognize meaningful differences between examples and assess asking prices with greater confidence.

KNOW THE MODEL

Identify the generation, specification and driving character that suit you.

EVALUATE EXAMPLES

Ask better questions about condition, originality and maintenance.

FOLLOW THE MARKET

Use monthly updates to keep your research current as you shop.

A GLIMPSE OF THE RESEARCH

Example: 1991 Porsche 911 Turbo (964) | Selected excerpts

Originality: "the original Bosch H5 headlight assemblies and trim rings must be retained in dry storage."
Inspection: "Inspect the external wastegate diaphragm for hardening or leaks"

Understand why original parts matter and which concerns to raise with your inspection specialist. These are brief examples; the complete profile supplies the wider context.

WHAT YOUR COMPLETE VEHICLE PROFILE COVERS

01 Identity & provenance	Recognize generations, trims and factory specifications.
02 Powertrain	Understand engine character and ownership priorities.
03 Transmission & drivetrain	Evaluate gearbox choice, behavior and power delivery.
04 Chassis, suspension & brakes	Connect the engineering to ride, handling and stopping.
05 Body & visual signatures	Spot body configurations and generation changes.
06 Cabin & usability	Consider seating, controls and practical compromises.
07 Performance & alternatives	Put capabilities and relevant rivals into context.
08 Valuation & market trends	Assess pricing tiers and follow the market over time.
09 Inspection & buyer priorities	Prepare focused questions for an independent inspection.
10 Acquisition verdict	Weigh the appeal, compromises and buying considerations.
11 References & technical sources	See the sources behind the research.

ONE SELECTED VEHICLE

$39.99 / year

Immediate profile access + monthly updates for 12 months.
Following several cars? Full VAULT: **$149.99/year.**

Your selected vehicle profile remains fixed for the paid term. This is an illustrative overview; coverage varies by model and available information. Research complements an independent pre-purchase inspection.
